**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our broadband service is provided by a small, local company. They provide excellent service at a very competitive price. Keeping the doors open to small internet and telephone providers is essential to a vigorous and efficient communication environment. Please resist the invitation of the various communication oligarchs to suppress competition and raise consumer costs,

Very sincerely,  
Roderick N. McAulay
